

2009 CROP GROWER'S IDENTITY PRESERVED 2009 CROP
NON-GMO CORN CERTIFICATE

I, _____ (grower) certify that the grain being delivered to Bulk Service (grain elevator) and being sold to H & B Specialties, Inc. is NON-GMO CORN varieties (please circle varieties being delivered)

I certify to the best of my knowledge that:

- 1) The NON-GMO CORN was planted and harvested in such a manner to preserve the IDENTITY of the NON-GMO CORN.
- 2) The CARGO has not been treated with any CHEMICAL after its harvest.
- 3) I confirmed that all of the equipment used for the NON-GMO CORN including storage, combine, auger, and conveyors were clean and empty before handling this NON-GMO CORN.
- 4) Samples will be taken from each truck when the corn is delivered to the above named elevator.
- 5) I will provide a copy of the "seed corn invoice" for proof of purchase if requested.
- 6) If it is found that corn I have delivered is knowingly contaminated with GENETICALLY MODIFIED MATERIAL, I will be excluded from this program and will be subject to exclusion from any other programs and I will lose or refund any premiums paid to me for such corn.
